The Valley Arts Alliance is a group of like-minded individuals in the Matanuska-Susitna Valley of Alaska who have joined together to encourage, sponsor, facilitate and support artistic expression. We are a place for both new and established artists of all types—painters, sculptors, musicians, and those involved in the performing arts—to network and to experiment with new ideas and media.

We are a non-profit corporation as defined by section 501(c)(3) of the Internal Revenue Code, working with local libraries, schools, museums, art councils, and music and art groups to create more venues for the arts, and to help promote art related events.

General Membership in the Valley Arts Alliance is FREE, and is open to any artist or person interested in the arts in the Matanuska-Susitna valley of Alaska. To apply for General Membership, just complete this form and submit by clicking below.

To help the Valley Arts Alliance achieve our goals, please consider becoming a Patron of the Arts by donating \$100 or more.
